

As President, I am honored to welcome you to Hopeton State Bank's website. Whether you are a current or potential customer, I invite you to explore our site and welcome any comments or suggestions you may have.

Each day our world is becoming more technologically advanced and banking is no exception. However, at Hopeton State Bank we want our customers to know that no matter how advanced we become, you will never be just an account number to us.

Hopeton State Bank was chartered in 1919 and remains an independently-owned community bank with directors, officers and employees who have been committed to serving the needs of our customers for nearly a century.

Our community- minded spirit and focus on developing quality customer relationships are extremely important to us. Hopeton State Bank's goal is to give our customers superior service in a warm and friendly atmosphere.

Our motto is, Shaped by the Past.....Focused on the Future. We look forward to seeing you in our future at Hopeton State Bank.

Sincerely,

Trent Goss
President & CEO
